

PARTICIPANTS NEEDED

Body image, relationships with others, and yoga: A study to understand women's experiences after a gynecologic cancer diagnosis

Purpose

The purpose of this study is to understand what women think and feel about their bodies, how this influences their behaviours and relationship with others, while also understanding the benefits women see to engaging in yoga after being diagnosed with **gynecologic cancer**.

You may be eligible if you:

1. Are at least **18** years of age
2. Have been diagnosed with **gynecologic cancer**
3. Participate in **yoga \geq 1 time per week** in a typical month
4. Are able to read/understand **English**

Participation involves:

1. Completing a brief online survey
2. Completing 2 60-minute interviews online (or over the phone) 5-weeks apart
3. Writing in an online journal for 4 weeks
